You let me call me this summer and
get better - whatever else you secretly admire,
and I know - whats going with Duane,
and whoever else you get together and go out and

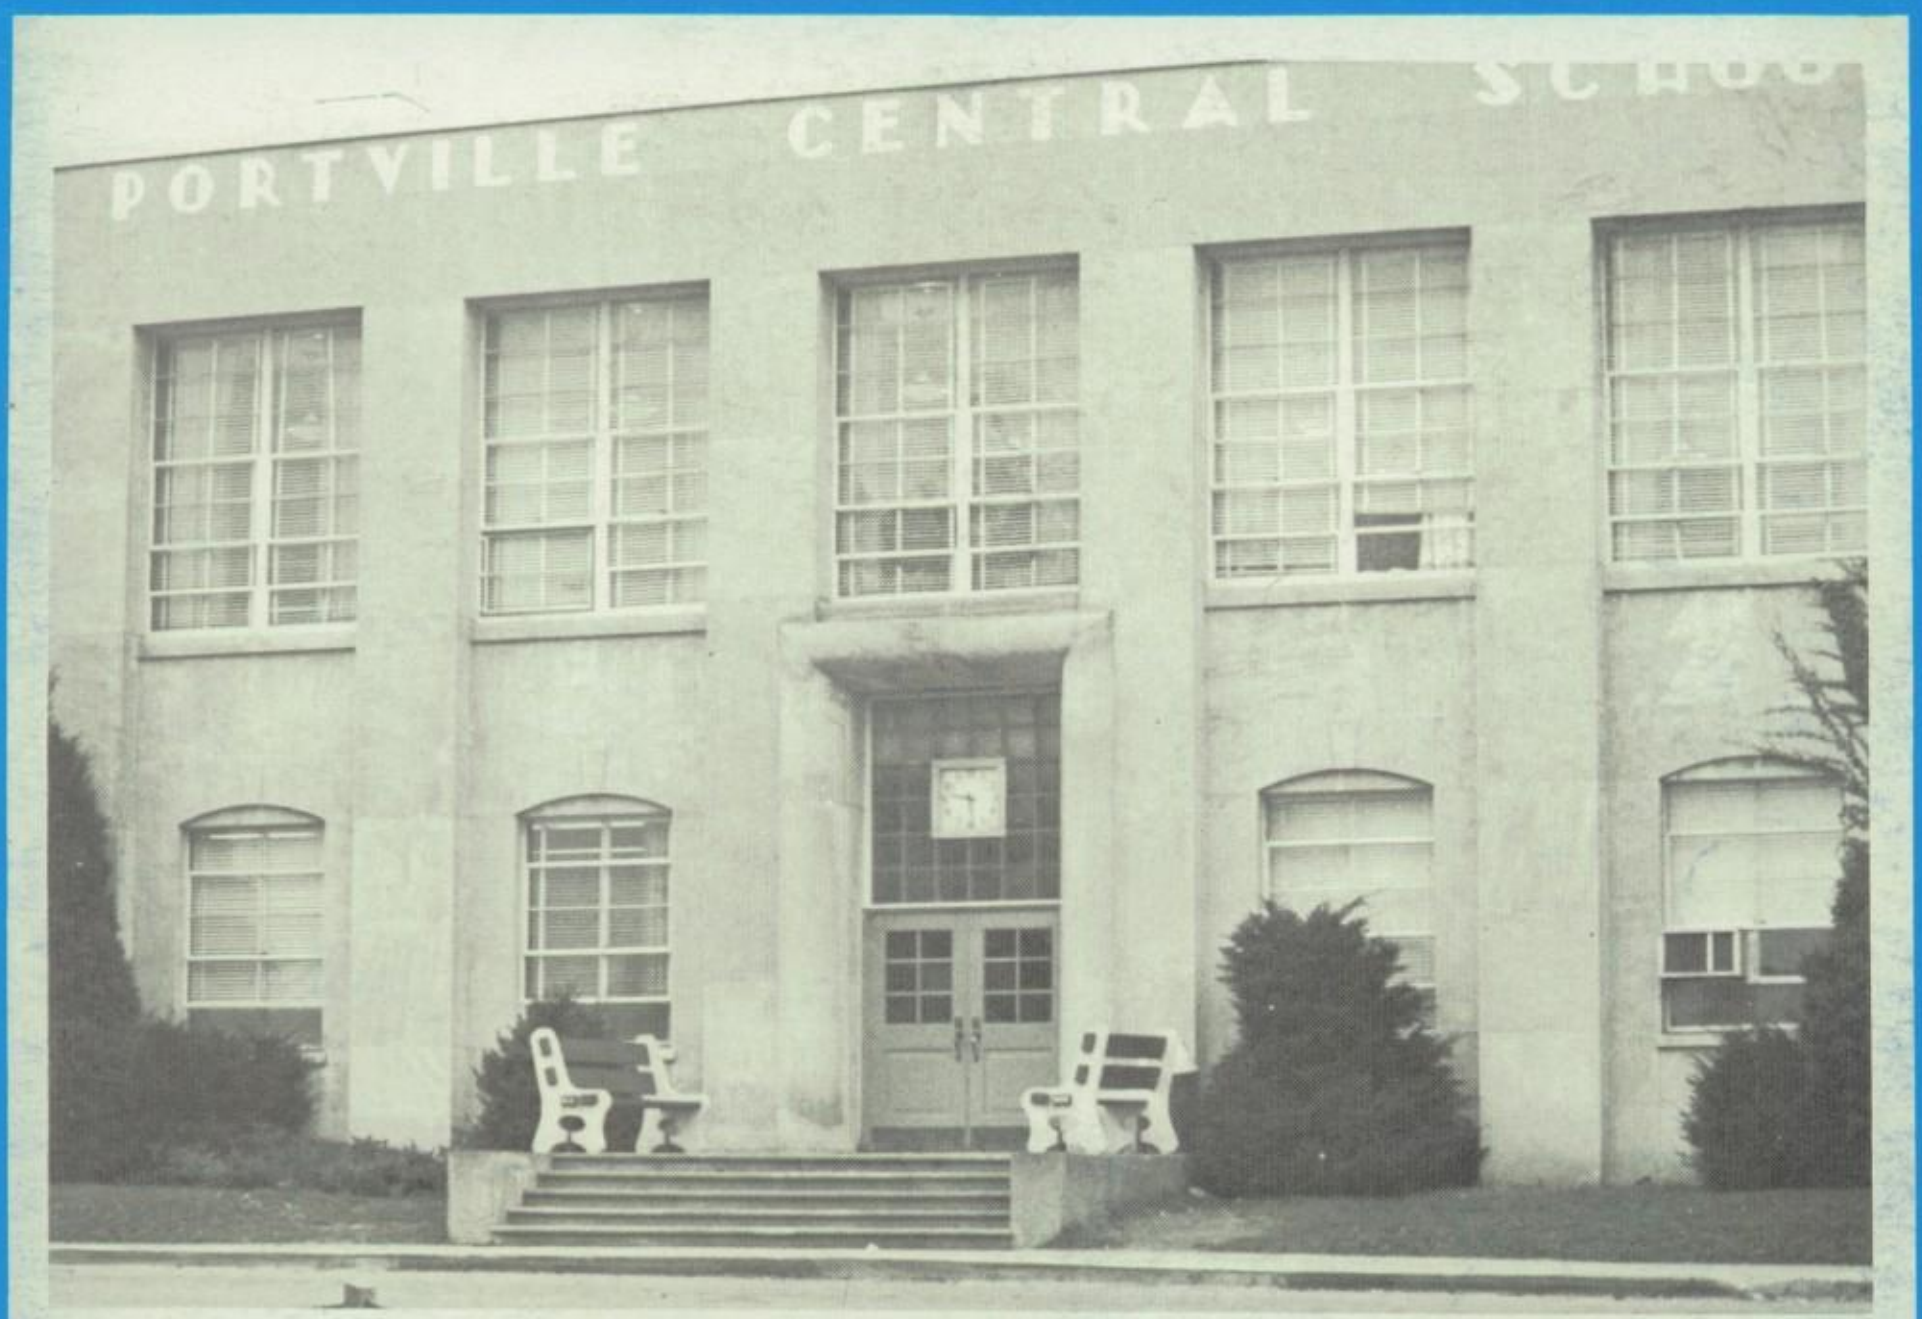
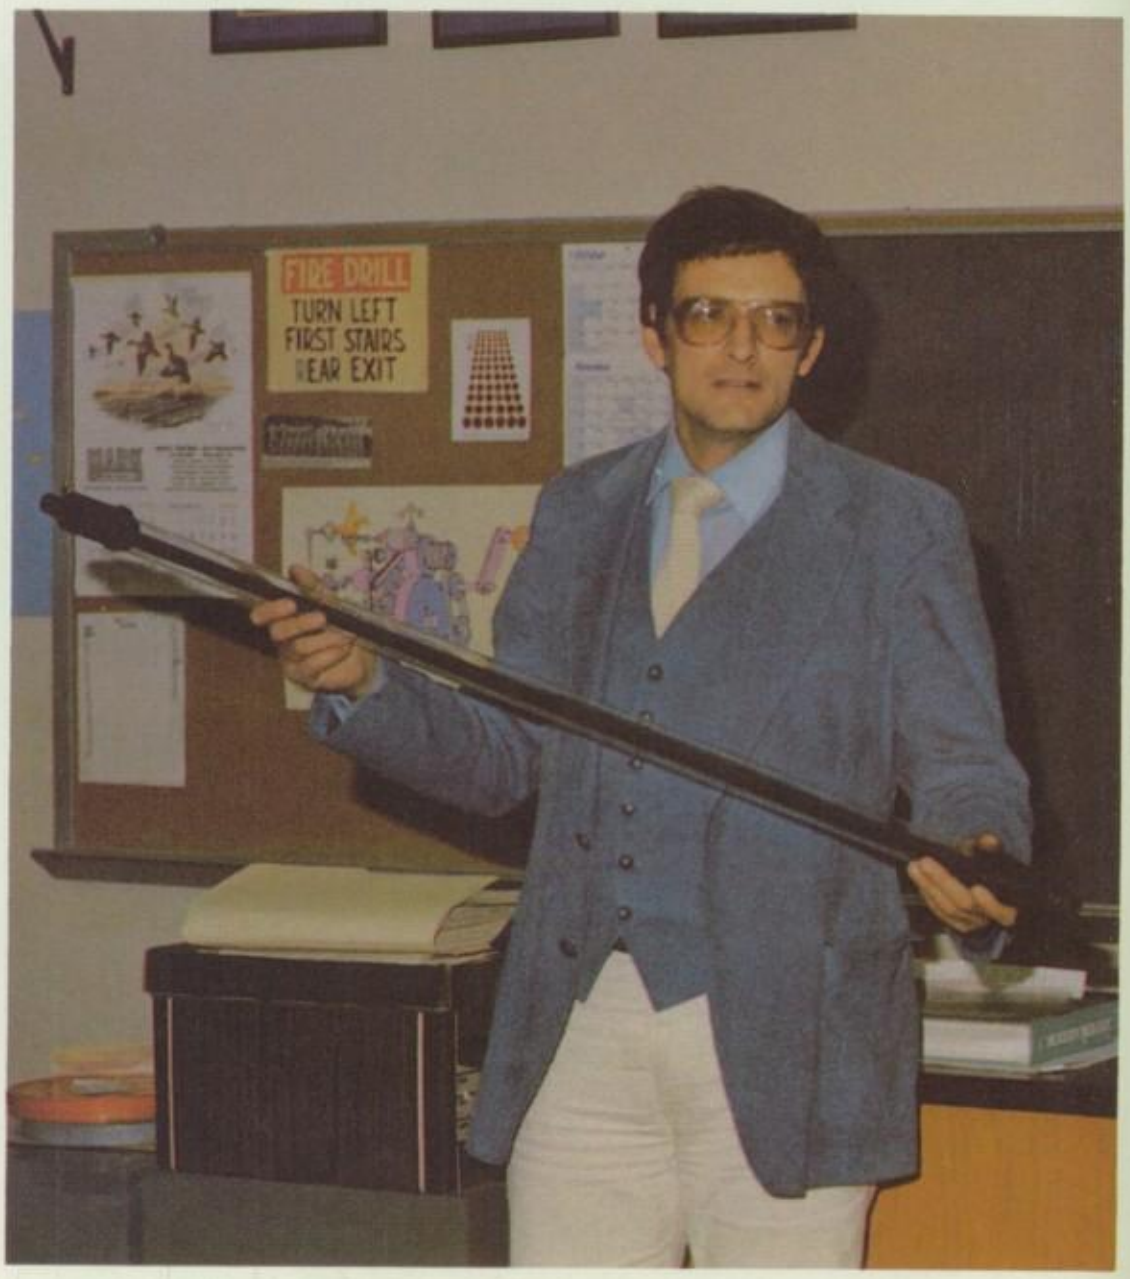
ALMA MATER

On the banks of Allegany,
With its waves of blue,
Stands our noble Portville Central
Glorious to view.
Lift the chorus, speed it onward
Loud her praises tell,
Hail to thee, our Alma Mater
Hail, oh, hail, Portville.



The 1982 Yearbook Staff Honors Mr. Longbothum

The Yearbook Staff proudly dedicates the 1982 Yearbook to Mr. Ronald Longbothum. He attended the University of Utah and Mansfield College. He has taught at P.C.S. for eighteen years. For the last thirteen years Mr. Longbothum has encouraged students to participate in the Regional and National Science Fair. Many of these students have gone on to win top honors. Mr. Longbothum is affectionately known as L.B. to many of his students. We are greatly indebted to him for all his many years of faithful service and hard work. This dedication is an expression of our gratitude and appreciation. Thank you, L.B.



Hey Laura!
This is what happens when you're so fast, but it's such a great. It's been very handy having you around. Good luck in life. Right by me. Good luck in all your future years in everything you do!

The Best to You Laura!

For ten years Laura Givan has been a familiar sight in the halls and classrooms at P.C.S. Before coming to Portville, Laura did not go to classes and was told she could not "keep up."

"When I first started school in Portville, I wrote with my hands but I could not get my work done on time. One day I became very frustrated and tried writing with my teeth. I have been doing that ever since."

In January of 1980 the Lion's Club instigated a fund drive to buy Laura a new battery-operated wheelchair. "It was one of the happiest moments of my life when I was presented the new chair," Laura acknowledged.

Laura maintained a "B" average and majored in art and language at P.C.S. Her hobbies include reading, writing and drawing. She plans to attend Endenboro College where she will major in art.

Mrs. Hannon Retires

Mrs. Hannon, a devoted employee of P.C.S. for a total of twenty-six years, is planning on taking her retirement beginning with the '82-83 school year. She has undertaken a variety of jobs while at Portville and has performed each of these with complete devotion and great skill. She has taught kindergarten, English 9 and 10, and seventh, eighth and ninth grade social studies. She has been an advisor for a number of classes in grades nine through twelve and has also been the golf coach for a number of years. In addition, Mrs. Hannon has accepted the challenges of cooking hot dogs for football games, directing class plays, teaching social dancing, chaperoning Friday night open house, and advising squads of cheerleaders.

Mrs. Hannon graduated from Portville High School in 1941. She completed her undergraduate work at William Smith and Geneseo in 1945. A total of ninety-two hours of master's work was completed at a series of different universities. Among these institutions were St. Bonaventure University, Niagara University, University of Virginia, Eastern College and Fredonia University.

Mrs. Hannon is married to Mark Hannon and has four grown sons: Mark, Jim, Peter and Tim. She is a member of the Portville Presbyterian Church and attends Bolivar and Bartlett Country Clubs frequently. After retirement Mrs. Hannon plans on sleeping late every morning, playing golf, refinishing furniture, knitting and shopping. Mrs. Hannon will be greatly missed and her contribution long remembered. She has been quoted as saying, "A strong mind and a strong body makes a good student."

The Lazy Days of Summer

When students leave the school in June, no one would ever guess they would be anxious to return so soon. But come July many are back to participate in the Summer Recreation Program. A wide variety of activities are offered including gymnastics, swimming, arts and crafts, dances, carnivals, sports, and an extra bonus for hungry activists—free lunches. The program is under the direction of Mr. Woodruff.

The Banks of the Allegheny

As in the Alma Mater, this is where the 1981 Homecoming festivities took place on September 26, 1981. The Panthers defeated the Cuba Greyhounds 14-6 in an exciting afternoon football game. During halftime the Queen was crowned and the King was named. The King and Queen were Gary Griffith and Maureen Huff. The senior attendants were Mary Harding and Amy Erickson. The junior attendant was Mia O'Brien; the sophomore attendant was Coralie Warner; and the freshman attendant was Laura White. Also during halftime the winners of the float competition were announced. First place went to the seniors whose float was "The Rainbow Connection" and Second place went to the sophomores whose float was "The Yellow Submarine." The junior float was "America" and the freshman float was "Puff the Magic Dragon."

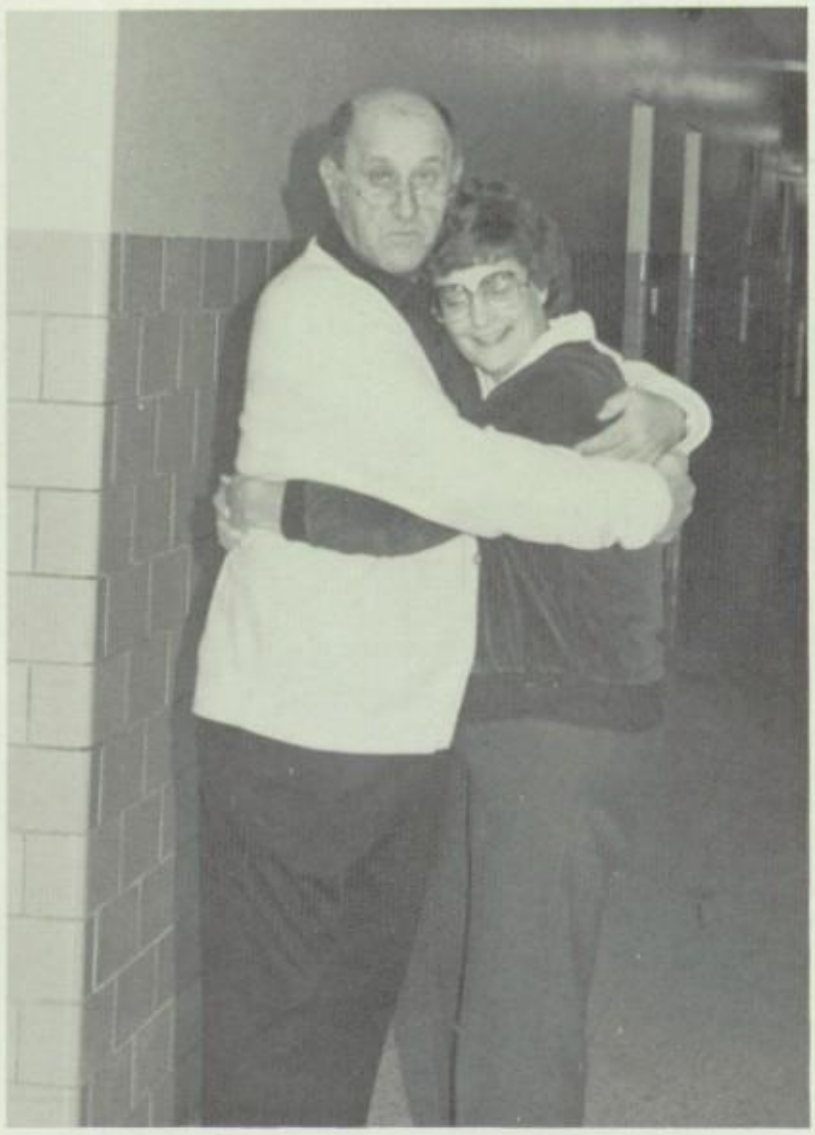
FACULTY AND STAFF

Shelley -
Try very Best always
To a cute gal and
a real nice person
Carol

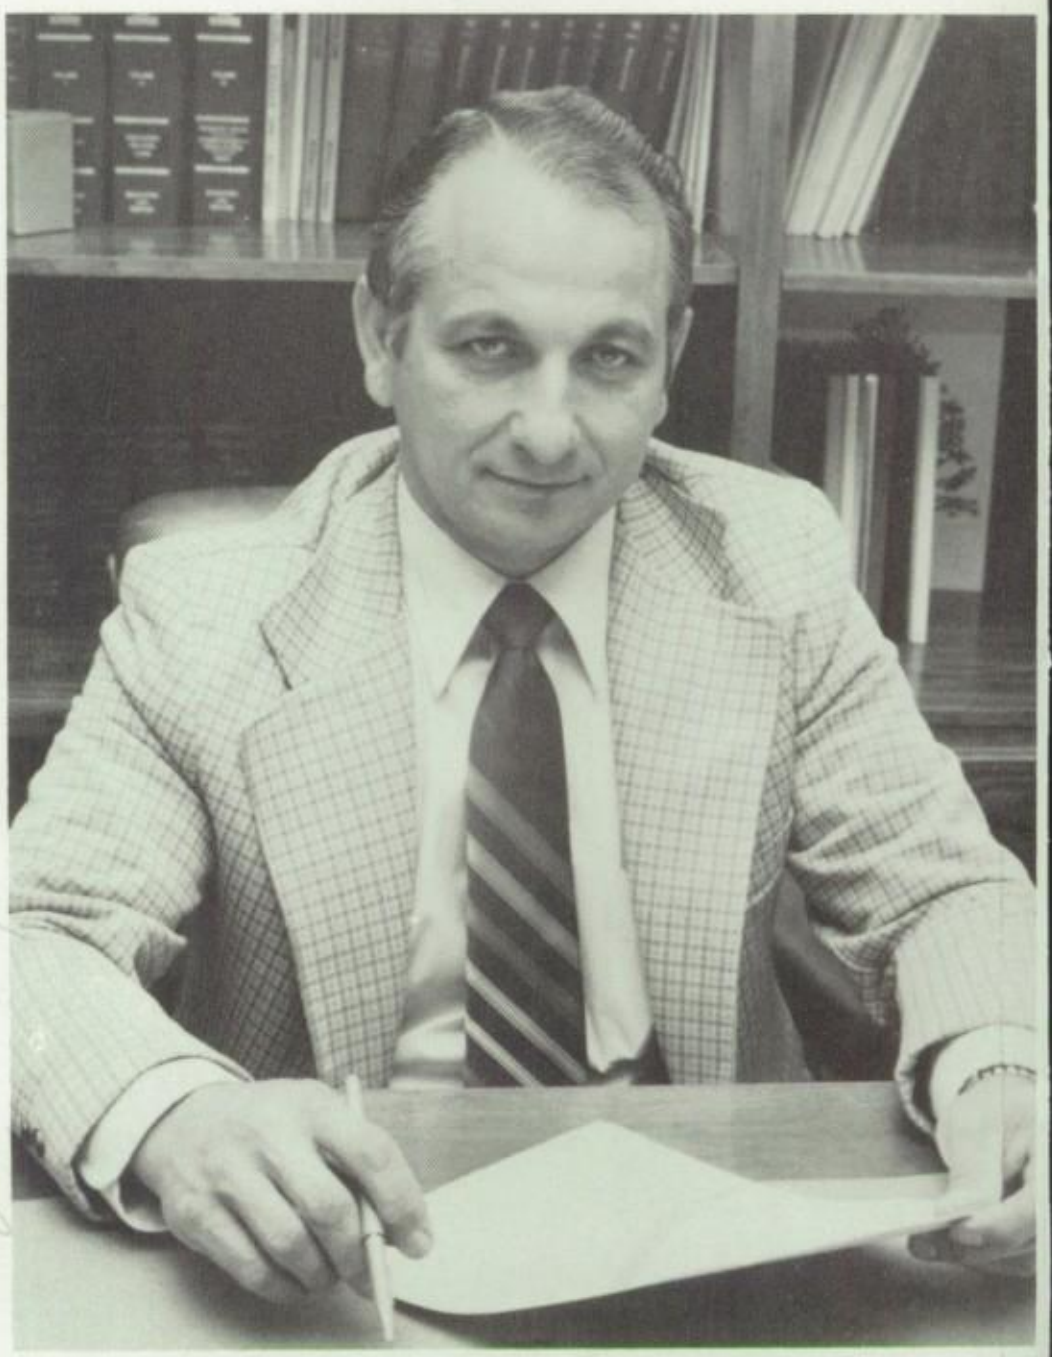


Congratulations to the graduating class of 1982! After thirteen years of dedication and hard work, you have accomplished the goal of achieving a high school diploma. Those of you who have made serious future plans while attending high school will be better prepared than those who have not made these deep commitments.

What does the future hold for the present graduates? It seems the nation is going into a period of economic decline and students' attitudes and expectations have changed accordingly. Graduates increasingly look towards security—economic security, in particular. This desire has extended into their feelings concerning selection of courses. Graduates all over the country will be making choices that will definitely guide them towards employment in the technological field, as well as other fields of work. There will also be a greated emphasis on the armed services due to high unemployment rates during this time of recession.

I am sure you have received the necessary preparation at Portville Central School to fulfill your future plans. I wish you a bright and happy future.

Gerard C. Christopher
Superintendent



Whatever years are allotted to each of us, no one ever knows ahead of time; that is one of the "sweet mysteries" of life. One thing is certain, however; when a moment passes by it is gone forever, and nothing can recall it. So it with the years in high school, which for our seniors, are only memories now.

For some, these remembrances are tender and warm; for others they are bland, neutral, perhaps even colorless. In Shakespeare's words, however; "What's done cannot be undone". Nonetheless, there is a large-looming future awaiting all of you which ought to be seized aggressively so that your lives will be filled with time well spent and years well lived. Take the future and let it be yours; make the world and your place in it what they ought to be.

Fondly and with best wishes
Mr. Michael T. O'Brien

Shelly,
I'm really pleased I got to know you. I always look forward to your wonderful smile. Stay in touch and keep smiling. It makes my day.
Mr. O'

Press Club Lives on

The Press Club this year was composed of 12 senior staff members. The editor was Jackie Handley, the president was Sandy Myers, and the advisor was Mr. Sullivan. The club serves as a direct public relations link between the school and the community by publishing a full page issue of The Panther Profile once a month. Articles in the Panther Profile include sports features, students of the month, the Prowl, and News in Brief about teachers, students, and school events.

Student Council: Row 1: C. Perry, M. Harding, K. Kennedy, A. Erickson, A. Baldwin, M. O'Brien. Row 2: C. Taylor, P. Yanetsko, J. Handley, K. Aloi, M. Gundlah, M. Milne, K. Ryan. Row 3: L. Shepard, D. Bowen, P. A. Foss, P. Hatch, C. Gundlah, J. Cooper, D. Woods, J. Eaton, R. Klucik, Mr. C. Bretzin.

Student Council

School spirit was the Student Council's primary goal this year. Our school can be awfully powerful and strong with everyone's Panther spirit. The council strives hard to uphold our school and its reputation. The council works for the students and also serves as a link to the Administration.

This year's council has undertaken on many new projects. For example, they have brought into existence a new Jr.-Sr. cafeteria and taken complete charge of a brand new academics board.

Annual activities include the bloodmobile, class forums, superstars and dances. A bulletin board provides the students with information of upcoming school and community events.

Winter's Crystal Theater

This was the theme of Winter Weekend this year. For the dance Saturday night, the gym was decorated with snow-covered trees and valentine hearts along the walls. The band "West" played in the candlelight for the dancers. The crowning of the king and queen occurred at midnight. Amber Elliot was crowned queen and Tracy LaFever was named king.

A new tradition may have been started with the event on Sunday afternoon. Members of the Portville Faculty and the alumni played a tough basketball game. The score at the sound of the buzzer was 42-42. Cheerleaders for the event were women members of the faculty and staff. They provided the comedy for the afternoon. Proceeds from the game were contributed to the Sports Boosters Club.

Another of the highlights of Winter Weekend was the annual Gong Show. This was sponsored by the American Field Service. The show featured both serious and comic acts by members of the student body of PCS. The prize for the best act went to Joy Hutchins and the best comedy routine went to The Clique.

National Honor Society

Mrs. Eaton has been the advisor of the National Honor Society for the last thirteen years. In order to be eligible for the society, a student must have a 3.0 average if a senior, and a 3.6 average if a junior. The qualities upon which a student is chosen are character, scholarship, leadership and service.

The highlight of the year is the Cattaragus County recognition dinner which is held in May. Occasionally the society has an Ice Cream Social. "The members of the National Honor Society are a remarkable group with which to work. They are very enjoyable," commented Mrs. Eaton.

This year's staff was very dedicated and hard working. Layouts and spreads and pictures and cropping and identifying and schedules and ladders and ads and running about consumed much time. Mrs. Worth's voice could be heard all over the room, "Joy, come here. Alan, do that." All to the end result of a book to be kept and treasured for many years by many people.

Varsity Volleyball

This year's Varsity Volleyball team won the Cattaraugus County league championship with a 14-0 record. This was the second time in three years that the Portville Panthers volleyball women have taken the county title. The team placed third out of the thirty-two teams at the Sweethome Tournament and brought home second place honors in the Eden Invitational Tournament.

Losing six varsity players to graduation will make next year's season a challenge to those left behind to carry on the winning tradition of Panther Volleyball.

JV Volleyball

The Junior Varsity Volleyball team followed in the footsteps of the strong varsity team, by losing only one match to lead the league with a 13-1 record.

Many of this year's members were first year members. The JV Volleyball machine should again be a major contender in the Cattaraugus league.

The Portville Panther Volleyball Junior varsity has held the spot in the league for the past four years.

After losing twelve seniors to graduation from the previous year, the Boy's Track team showed tremendous effort and ended with a 4-4 team record. Under the coaching of Mr. McMahon, the team consisted of 34 boys, with 75% of them Freshmen and Sophomores. Extra strength and panther power were proved to conclude with outstanding results for Bob Bretzin—400m, missing the still-standing school record set 40 years ago by six-tenths of a second; Matt Pecone—high jump (6'0"), and Tim Emley—100m (11.7).

In the county meet, the team captured fourth place: Bob Bretzin finished 1st in the 400m, and Matt Pecone placed 1st in the high jump.

Coach McMahon feels the future years to come look very promising with such hopefuls as Chris Gundlah, Tim Emley, Matt Pecone, Fran Williams, Craig Hartburg, John Milne and Rick Mott.

Matt Pecone looking good.

Meghan Milne jumps as far as she can.

The 1981 Girl's Track team spelled nothing but "success" by obtaining a team record of 10-0. Under the coaching of Mr. Hild, the girl tracksters showed tremendous enthusiasm and a winning attitude.

The team consisted of 56 girls, the largest in the county. 27 of the girls received varsity letters. Many records were set by panthers Melissa Gundlah, Meghan Milne, Julie Baldwin, Glenda Hollamby, Chris Brown, and others.

Through extra effort, Melissa Gundlah went to state competition. There she proved that Portville is not the typical small-town school.

Coach Hild has very good prospects in mind for this year's 1982 team. He sees another winning season for the team. Good attitude and competitive spirit is what these girls have, the real PANTHER spirit!

BASEBALL

The Panther Varsity Baseball team completed a 5-13 campaign during the 1981 season. Some of the main stays of the team were seniors: Tom Klimczyk, Lowell Goldsmith, Matt Perkins and Scott Foster. Returning in 1982 as Juniors will be Jerry Hollamby, Ron McClarin and Dave Huff.

The highlight of last year's season was the selection of Tom Klimczyk to the All-County Team due to his consistently "hot bat" and enthusiastic team play. Tom is now attending the U.S. Navel Academy at Annapolis, Maryland.

Softball 1981

This year's softball team again went undefeated, 14-0, for its second year in a row. The girls also went to Sectionals where they lost to a very strong Starpoint team. Five of the team members were selected for All-Stars: Mary Harding, Coleen Huff, Sue Gardner, Sherry Gardner, and Darla Cornell. Darla was also voted the Most Valuable Player of the game. This spirited team will lose four of its senior players: Robin Steffen, Shelly Williamson, Jody Cradduck, and Darla Cornell. Congratulations on a fine season.

Peter Eater! Well, here goes what I've been looking forward to. I'm really excited to write in here cause you and I have been through it all. We've been in M-Band for 3 (now our 4th) straights years, we've put up with Marcy and Wallis little quarrel actually it turned out to be quite the big quarrel. Well, lets move on to better things. I'll never forget Florida 1981 when we took all those queer pictures of each other. OH Yes and we can not forget the Canada Wonderland gosh! just remembering those is gettin' me excited for Tennessee. Just think when we were in second grade we hated each other, we used to write on each others name tags - now it seems so babyish. but it is quite funny how people change. Well, Blood sister we're on our way to the Big 1-1 junior class, then just one more year and we're out. I'm not looking forward to it at all. just think of all the memories we'll be leaving behind and friends. I hope that we can keep in touch after grad. but that leaves us 2 years who knows maybe we won't graduate. Don't forget the movies we used to go to, then our little trips to Wasta, and then Chinese red lights for on the way home. Great times HUH!! I loved 'um all. Remember when we got picked out of Wasta cause we didn't buy anything. What a riot! OH we can't forget stage band day when we would go into the and and talk, now that I think about we talked about some pretty queer things such as: sex, drugs, rock + roll & yes condoms...
